Company Profile

Suzanne de Paris Produits et Institut de Beauté Int'l Corp. was founded and established in 1974 by Comtesse Suzanne de Paris, President & CEO.

Suzanne de Paris is in the business of providing excellence in the cosmetics/skin care industry for the past 37 years. We have been praised by international beauty editors for our products safety and effectiveness since 1974.

We manufacture, export and sell over 50 different specialty skin care treatment products for all skin types and colors: White, Black Asian, & Hispanic. We also specialize in treating Ethnic Skin. Our line also includes a full color cosmetic line and the "Incurably Romantic" Fragrances: parfum "Sensation" and eau de toilette "Comtesse" both made from over 2,000 natural fragrance materials.

Comtesse Suzanne de Paris created scientific treatment techniques and pharmaceutical grade treatment products, which target virtually every skin care condition, leaving all skin types younger, healthier, and flawless.

The Suzanne de Paris & Comtesse Suzanne de Paris skin care system, invented by Comtesse Suzanne de Paris revolves around 3 different at home skin care Regimens: Hydrating for Dry and Aging Skin, Oil-Free for Oily and Problem Skin, Sensitive for Delicate Skin, and Body Firm and Beautiful.

Suzanne de Paris Produits et Institut de Beauté is seeking Agents, Distributors, Franchisers, Boutiques, Department Stores, etc. worldwide to market and represent her World-Renowned specialty skin care products and fragrances.
