Dear Countess de Paris:

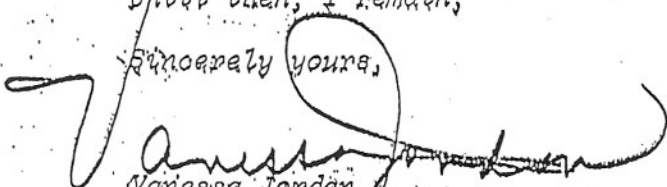

My apologies for getting this letter to you so late, but I've been out with the flu for two weeks.

I want to thank you for the kindness you extended several weeks ago when we met. The treatment and products are fabulous! It was indeed a pleasure meeting you and your sister and I do look forward to my next visit.

I will be in touch with you in a few weeks regarding the stories we discussed and to set up an appointment.

Until then, I remain,

Sincerely yours,

Vanessa Jordan
