Dear Suzanne:

The Hospitality Committee for United Nations Delegations, Inc., is very proud to have you as a friend, benefactor and lecturer. My colleague, Toney Gordon, and I thought you created a wonderful program yesterday. We thank you on behalf of our diplomats from 13 different countries.

It was with joy and intense interest that we listened to your informative and charismatic presentation on beauty treatments. Madame Buallay, wife of the Bahrainian Ambassador, was a willing and very satisfied model for one of your magical facials. There was nothing but praise for your professionalism, charm and wit. You are a beautiful woman with a generous heart. Our profound gratitude for a most delightful afternoon, which enlightened us in many ways.

The delicious sweet delicacies, champagne, wine and Suzanne de Paris "goodie bags" were much appreciated. We all were impressed by your daughter Brenda, a special young lady indeed, who contributed much to the success of a great program.

Warmest regards,

Brigitte Roepke
